

CODE OF CONDUCT POLICY

INTRODUCTION

This document provides a guide for staff, volunteers and visitors working in the school about acceptable and desirable conduct to protect both adults and students. It refers to and complements other policies and guidance in The Vine Christian School including:

- School Child Protection Policy
- School Behaviour Policy
- School Physical Interventions Policy

School employees are role models and are in a unique position of influence and should adhere to behaviour that sets a good example to all the students within the school. As a member of the school community, each employee has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

This Code of Conduct applies to all employees of the school. This Code of Conduct does not form part of any employees' contract of employment.

SETTING AN EXAMPLE

- All staff who work in schools set examples of behaviour and conduct which can be copied by students.
- All staff must, therefore, demonstrate high standards of conduct in order to encourage our students to do the same,
- All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.
- This Code helps all staff to understand what behaviour is and is not acceptable, regard should also be given to the disciplinary rules set out in the Schools' Disciplinary Policy and Procedure.
- All staff are expected to familiarise themselves and comply with all school policies and procedures.

SAFEGUARDING STUDENTS

- Staff have a duty to safeguard students from physical abuse, sexual abuse, emotional abuse and neglect.
- The duty to safeguard students includes the duty to report concerns about a student or colleague to the school's Designated Senior Person (DSP) for Child Protection.
- The school's DSP is the Head Teacher.
- Staff must be familiar with the school's Child Protection Policy and Whistleblowing Procedure.
- Staff should treat students with respect and dignity and must not seriously demean or undermine students, their parents or carers, or colleagues.
- Staff should not demonstrate behaviours that may be perceived as sarcasm, making jokes at the expense of students, embarrassing or humiliating students, discriminating against or favouring students.
- Staff must take reasonable care of students under their supervision with the aim of ensuring their safety and welfare.

RELATIONSHIPS WITH STUDENTS

- Staff must declare any relationships that they may have with students outside of school; this may include mutual membership of social groups, tutoring, or family connections. Staff should not assume that the school is aware of any such connections. A declaration form may be found in appendix 1 of this document.
- Relationships with students must always be professional, physical relationships with students are not permitted and may lead to a criminal conviction.
- Contact with students must be via school authorised mechanisms. At no time should personal telephone numbers, email addresses or communication routes via personal accounts on social media platforms be used to communicate with students.
- If contacted by a student by an inappropriate route, staff should report the contact to the Headteacher immediately.

STUDENT DEVELOPMENT

- Staff must comply with school policies and procedures that support the well-being and development of students.
- Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of students.
- Staff must follow reasonable instructions that support the development of students.

HONESTY AND INTEGRITY

- Staff must maintain high standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.
- All staff must comply with the Bribery Act 2010. A person may be guilty of an offence of bribery under this act if they offer, promise or give financial advantage or other advantage to someone, or if they request, agree or accept, or receive a bribe from another person. If you believe that a person has failed to comply with the Bribery Act, you should refer to the Whistleblowing procedure for schools. For further information see the Model Anti Bribery Policy for Schools available on the Grid.
- Gifts from suppliers or associates (including students or parents) of the school must be declared to the Headteacher, except for "one off" token gifts from students or parents. Personal gifts from individual members of staff to students are inappropriate and could be misinterpreted and may lead to disciplinary action. A record will be kept of all gifts received.

CONDUCT OUTSIDE WORK

- Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the employee's own reputation or the reputation of other members of the school community.
- Criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.
- Staff may undertake work outside school, either paid or voluntary, if it does not conflict with the interests of the school nor be to a level which may contravene the working time regulations or affect an individual's work performance in the school

E-SAFETY AND INTERNET USE

- Staff must exercise caution when using information technology and be aware of the risks to themselves and others. Regard should always be given to the schools' E-Safety and ICT Acceptable Use Policy both inside and outside of work.
- Staff must not engage in inappropriate use of social network sites which may bring themselves, the school or school community into disrepute. Staff should ensure that they adopt suitably high security settings on any personal profiles they may have.
- Staff should exercise caution in their use of all social media or any other web-based presence that they may have, including written content, videos or photographs, and views expressed either directly or by 'liking' certain pages or posts established by others. This may also include the use of dating websites where staff could encounter students either with their own profile or acting covertly.
- Contact with students should only be made via the use of school email accounts or telephone equipment when appropriate.

- Photographs/stills or video footage of students should only be taken using school equipment, for purposes authorised by the school. Any such use should always be transparent and only occur where parental consent has been given. The resultant files from such recording or taking of photographs must be stored in accordance with the school's procedures on school equipment.

CONFIDENTIALITY

- Where staff have access to confidential information about students or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the student.
- All staff are likely at some point to witness actions which need to be confidential. For example, where a student is bullied by another student (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the student's parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate authority to deal with the matter.
- However, staff have an obligation to share with the Headteacher or the school's Designated Senior Person any information which gives rise to concern about the safety or welfare of a student. Staff must never promise a student that they will not act on information that they are told by the student.

DRESS AND APPEARANCE

- All staff must dress in a manner that is appropriate to a professional role and promoting a professional image.
- Staff should dress in a manner that is not offensive, revealing or sexually provocative.
- Staff should dress in a manner that is absent from political or other contentious slogans.

DISCIPLINARY ACTION

Staff should be aware that a failure to comply with this Code of Conduct could result in disciplinary action including but not limited to dismissal.

COMPLIANCE

All staff must complete the form in Appendix 2 to confirm they have read, understood and agreed to comply with the code of conduct. This form should then be signed and dated.

Relationships with students outside of work declaration

It is recognised that there may be circumstances whereby employees of the school are known to students outside of work. Examples include membership of churches, sports clubs, family connections, or private tutoring.

Students who attend Three Mile Cross Church will be known by staff who also attend Three Mile Cross Church and so it is understood that there will be a relationship between staff and those students within the church setting, i.e. on a Sunday or other ad hoc church activities.

For any relationship outside that then staff must declare any relationship outside of school that they may have with students.

| Staff Name | Student Name | Relationship |
|------------|--------------|--------------|
| | | |
| | | |

I can confirm that I am fully aware of the code of conduct relating to contact out of school with students in line with this policy.

If I am tutoring a student outside of school, I am aware that the following must be adhered to: -

- I emphasise to parents that this is done completely independently of the school
- No monies come through the school at any point, informally (e.g. via the child) or formally
- No private tutoring is to take place on the school premises

I confirm that if these circumstances change at any time, I will complete a new form to ensure the school is aware of any relationships.
